About Me

Hi my name is Emanuel Kutloano Phiri, I have a huge passion for Technology and how it keeps on evolving and making peoples lives much easier im currently a third year Bachelor of Computing Student at Belgium Campus. Im a hardworking person who will always give 100% in everything I do, I can work well in a team or on my own, I am an extrovert who loves meeting new people, building a strong relationship with everyone I encounter and helping others wherever I can. I love facing new challenges, learning new skills and I am very adventurous as well. With me on your team I will use all my skills and knowledge to the best of my abilities.
